**Saturday, October 26**  
9:00 AM Complimentary Light Refreshments  
10:00 AM **Presentation: God's Signature in Nature Demands a Response.** Living creatures display components that function beautifully and are artistic as well. Even details at the microscopic level are amazing! The more we understand, the greater is our appreciation of God's handiwork.  
11:30 AM CSAA Annual General Meeting  
12:15 PM Luncheon \$13.00 per ticket  
2:00 PM **Closing Session: Setting One's Compass by Biblical Standards.** Just as a compass provides directions to follow, so the Bible provides standards for our interactions with other people, even with such complicated issues as abortion, euthanasia, treatment of minorities, land use, energy policy and food security.

**Featuring Dr. Margaret Helder**

- Original research in algae, aquatic fungi and freshwater ecology
- Taught biology to university, high school levels and home school science workshops for all grades
- Science writer for Dialogue and Reformed Perspective and other Christian publications
- Expert witness at a trial on creation/evolution in the United States
